ARTIST PROFILE / OFFICIAL BIO

DOSEN is an Ottawa-based DJ with a sound rooted in minimal, gritty tech house and sharpened by shades of trance, house, and techno.

After his first opening set at Sky Lounge for EXOSPHERE 002, he moved quickly through Ottawa's underground - from OFF GRID and Frequency Shift appearances to opening support at the official Escapade afterparty for Odd Mob B2B Walker & Royce.

ESCAPADE OFFICIAL AFTERPARTY

OPENING SUPPORT - ODD MOB B2B WALKER & ROYCE

The opening set for the official Escapade afterparty, setting the room in motion before Odd Mob and Walker & Royce took over. The set moves from driving tech house into dubstep before closing on rolling, euphoric techno.
